Privacy policy

privacy

We have written this Privacy Policy (version 01.01.1970-121676941) to explain to you what information we collect, how we use data and what choices you have as a visitor to this website in accordance with the requirements of the General Data Protection Regulation ([EU\) 2016/679](#).

Privacy statements usually sound very technical. This version, on the other hand, is meant to describe the most important things as simple and clear as possible. As far as possible, technical terms are explained in a reader-friendly manner. We would also like to convey that we collect and use information with this website only if there is a corresponding legal basis. This is certainly not possible if you make as concise technical statements as possible, as they are often standard on the Internet when it comes to data protection. I hope you will find the following explanations interesting and informative and perhaps there is some information that you did not know yet. If you still have questions, please follow the existing links to data protection on this page and look at further information on third-party sites, or simply write us an e-mail. Our contact details can be found in the imprint.
